

THE *MOVEMENT* MOVEMENT

YOU'RE INVITED TO THE MOVEMENT MOVEMENT ISSUE 00 LAUNCH

Crafted with women's voices from across Europe, Issue 00 – The Starting Line set out to change the male-orientated, male-organised and perfectionism-obsessed narrative around sport. The result is a magazine that is inclusive, honest and game-changing for the sports/movement space.

To celebrate our first ever issue, we're inviting you to join Team TMM at Maryland Studios for drinks, talks, unseen content, early access to the issue, and a coming together of the community we've built throughout Issue 00 production.

We can't wait to see you there.
